

HOTEL

The Three Corners Lifestyle Hotel appeals to individual travellers looking for first-class services or seeking a place with an authentic soul. The newly build property unites the neoclassical façade with the comfort and luxury of modernism, without losing the personality of the local community. The Hotel offers 60 comfortable and modern rooms to make a perfect hospitality experience. The oversized bedrooms, average size of 30 square meter and more, have a unique style and are light and bright. They are designed and equipped with facilities expected by today's sophisticated traveller. Bathrooms are spacious, modern and luxuriously designed.

Start the day right and wake up to enjoy our signature breakfast, featuring a rich selection of freshly baked croissants and Danish, a changing variety of refreshing smoothies, homemade granola, fresh fruit and more, topped up with a special Lifestyle breakfast corner! A lobby leads into the hotel's buzzy bar, enhanced by the cosy open-fire place and library.

LOCATION

The location of the hotel is perfect for exploring the Hungarian capital: all modes of transportation such as Corvin Metro station and tram stop, as well as Corvin Plaza, the newest shopping mall, are just a few steps away from the hotel. The Danube is very close and invites you to take a pleasant stroll along the Danube Promenade, between the Elizabeth Bridge and the Chain Bridge. The spectacular Central Market Hall and the "Váci utca", perhaps the most famous shopping street in Budapest, are also within easy walking distance. The "Raday utca", often referred to as "Little Soho" is just around the corner from the hotel.
