

Grants for Bilateral Exchange of Academics 2023/24 with University of Passau (14 -90 days)

Scholarships for short-term exchange of researchers with partner universities in Germany 2023/24 financed by the Foreign Ministry of Germany are available for application. This programme promotes exchanges with scientists and academics to improve international relations and bilateral research cooperations. Information about the DAAD grants are available on the homepage <https://www.daad-hungary.org/en/find-funding/>

If you are interested, join the online information session on October 19th 4.30 pm! Find out the details here: <https://www.daad-hungary.org/en/about-us/events/>

For more information about research interests of our colleagues in Passau and to build up contacts with the University, please email dsg@uni-corvinus.hu.

Online information session: October 19th 4.30 pm!
Application Deadlines: November 15, 2022
