**Personal Consultations 15:00 – 17:00 on 06-07 November**

The Library offers personal consultations after the training sessions on each day 06-07 November in the frame of 15:00-17:00. The students can bring themselves questions regarding the topics of the trainings and discuss them with the lecturer on a one-by-one basis. This is a great opportunity for students who have specific problems and questions on a practical level. Attendees have to pre-register for the consultations.
