

# *A Country in Focus: Spain in Spanish (level: B1-C1)*

**3 credits / practical grade (IOK0339NABB)**

**A great opportunity!** A new subject has been added to the list of optional subjects.

**If you speak Spanish at least at B1-B2 level, don't hesitate, this will be your best subject ever!**

## **WHY CHOOSE THIS SUBJECT?**

- **One semester, 3-credit** optional course **in Spanish** /with **English** as an intermediary language / **2 classes** per week (lecture and seminar).
- You can enrol free of charge, as it is an **elective course** at the university.
- It does **not take away** semesters from the **free language courses**.
- Available for students on both **Bachelor** and **Masters** programmes
- This course is for you if your level of Spanish is **at least B1-B2 level**.
- During the semester, you can improve your language skills while acquiring **specific knowledge of Spain and Spanish-speaking Latin American** countries in Spanish.
- The knowledge you gain on this course will be an **advantage in the job market**, as there are many job vacancies for Spanish speaking staff, and it is an advantage if you have knowledge of **Spain's and Hispanic America's present and past** in addition to your language skills.
- The course can be useful if you are planning to **move to a Spanish-speaking area**, either on a long-term basis or for an **Erasmus semester**
- Spanish is spoken by almost half a billion people worldwide as a first language and is the **third most widely used** language on the internet.
- It is an **official language in 21 countries**
- Beyond mainland Spain, you can use the **knowledge you acquire** in the Canary Islands, the Balearic Islands, South America, Central America and North America
- If the subject of your thesis or scientific work is related to Spain or the Latin American regions, the knowledge gained on the course will be **an asset to your studies!**
- The wide range of **interesting topics** and the **dynamic pace** of the course will provide an **excellent atmosphere** for discussing and working on the various topics.
- Through collaborative **group work** and **individual tasks**, you will develop a variety of skills that will be useful to you in your **future career!**
- You will never become bored in classes because they will be **interesting and engaging**
