

# Corvinus Career & Business Festival

12-13 November 2024

# About the event

Corvinus Career & Business Festival represents a modern evolution of one of our most enduring institutional traditions. Our primary objective from beginning was to construct a distinctive conduit between students and corporations, fostering an environment of open and uninhibited interaction. As the world has advanced, so too have the ways of connection and communication.

In order to sustain the vitality of this tradition, we have delved into the deeper understanding of the requirements of both our corporate partners and student body.

This Fall, we are poised to return with an event strategically designed to encompass the entire career journey. The exhibition is seamlessly integrated, aiming to provide the most beneficial employer branding and recruitment experience conceivable.
