## ARCHIVES INCLUDE:

---

- ***The Times Digital Archive, 1785-2019***

One of the most highly regarded resources for 18th, 19th, and 20th-century news coverage, with fully searchable content covering more than 200 years of world history.
- ***The Economist Historical Archive, 1843-2020***

This digitised archive contains fully searchable content from the definitive source for global business and policy leaders, opinion shapers, and decision-makers since its start in 1843.
- ***Financial Times Historical Archive, 1888-2021***

A digitised, searchable archive that presents the public affairs, economic, and financial history from the late 19th century onwards through the lens of the world's most renowned business newspapers.
- ***Telegraph Historical Archive, 1856-2016***

This fully searchable digital archive contains over 1 million pages from what was once the world's largest-selling newspaper.
- ***Daily Mail Historical Archive, 1896-2016***

Access over 100 years of this major UK national newspaper that captures 20th-century culture through text searchable scans, with copious advertisements, news stories, and images.
- ***British Library Newspapers***

Explore the diverse and distinct regional attitudes, cultures, and vocabularies of the United Kingdom and Ireland through 252 titles spanning the eighteenth to the twentieth century.
- ***17th and 18th Century Burney Newspapers Collection***

This comprehensive collection of English news media from the 17th and 18th centuries provides rare and often unique content for scholarly research in politics, economics, education, and journalism.
- ***17th and 18th Century Nichols Newspapers Collection***

This digital archive of rare and unique newspapers from the Bodleian Library in Oxford is an essential resource on British history and culture.
- ***Eighteenth Century Collections Online***

A digitised collection of over 26 million pages of English and foreign language titles from the United Kingdom, Ireland, colonial overseas territories, and the United States between 1701 and 1800.
- ***Nineteenth Century Collections Online***

Including collections from across the globe with content in multiple languages, this digital archive transforms the study of nineteenth-century history, literature, and culture.
- ***19th Century US Newspapers***

This comprehensive archive provides access to full-text content and images from numerous newspapers across urban and rural regions in the United States.
- ***American Historical Periodicals from the American Antiquarian Society***

Containing over 195 titles, explore the politics, economics, and general history of the United States, starting in the colonial era, moving through the Civil War, and into the twentieth century.
- ***National Geographic Magazine Archive, 1888-Present***

With comprehensive, timely articles and legendary photos, access over 100 years of history through commentary on culture, global events, nature, science, technology, and the environment.
- ***US Declassified Documents Online***

A collection of sensitive documents from all the presidential libraries, numerous executive agencies, and previously classified federal records.
- ***China and the Modern World***

This digitised archive explores the transformation of China from an inward-looking imperial dynasty into a globally engaged republic, covering the nineteenth to twentieth centuries.
- ***Early Arabic Printed Books from the British Library***

Discover early Arabic literature, catalogues, periodicals, books, and documents that reveal the cultural, intellectual, and social lives of the people of the Middle East.
