

Moody's Research Symposium: Leveraging Orbis Data for Groundbreaking Insights

We are thrilled to extend to you an exclusive invitation to the upcoming Moody's Research Symposium, a pioneering event dedicated to showcasing and advancing academic research powered by Orbis data. This unique gathering is designed specifically for distinguished professors and researchers like you, whose work has significantly benefited from the depth and breadth of insights provided by Orbis.

EVENT DETAILS:

- **DATE:** 26.11.2024
- **TIME:** 10:00 – 12:15 CET
- **LOCATION :** Online: [JOIN THE MEETING NOW](#)
- **THEME:** Empowering Academic Excellence through Data Insight
- **PROGRAM:** Below

Why Attend?

- **Discover:** Explore cutting-edge research from across the globe, highlighting innovative uses of Orbis data in uncovering economic and financial trends.
- **Collaborate:** Connect with fellow academics and researchers to discuss methodologies, share insights, and forge potential partnerships.
- **Discuss:** Engage in stimulating discussions on the challenges and opportunities in data-driven studies.
- **Network:** Meet with Moody's analysts and other fellow researchers to gain deeper insights into Orbis datasets and future enhancements.

Moody's Research Symposium

Tuesday, 26th November 2024

10:00 – 10:05	Welcome & Opening Remarks - Lenka Hlucha – Moody's Research Data
10:05 – 10:25	Tamás Kristóf, Dr. habil - Corvinus University of Budapest - <i>Multivariate predictive modeling using data from Moody's Analytics</i>
10:25 – 10:30	Q&A
10:30 – 10:50	Dr. Aleksandra BOROWICZ & dr hab. Stanisław Umiński - University Gdansk - <i>The role of foreign-owned entities in economic resilience during the Covid-19 pandemic</i>
