4. ACCESS TO DATA AND DATA TRANSFER

The data may be accessed by the staff members of CORVINUS Communications for the purpose of performing their duties and to the extent necessary therefor, such as by staff involved in marketing and communications. The University will only disclose data to third parties on the basis of a legal authorisation or with the consent of the data subject.

5. ENGAGING A DATA PROCESSOR

No external data processor is involved

6. DATA SECURITY MEASURES

The University stores personal data on the University servers. The University does not use the services of another company to store the data. The University shall take appropriate measures to ensure that personal data are protected against, inter alia, unauthorised access, and to ensure the continued confidentiality, integrity, availability and resilience of the systems and services used to process personal data, and the ability to restore in a timely manner access to and availability of personal data in the event of a physical or technical incident.

7. RIGHTS IN RELATION TO DATA PROCESSING

The data subject has the right to request information about the data processing, the right to obtain rectification of data, the right to obtain blocking (restriction of data processing) as well as to request the data controller to provide him/her information on his/her personal data and information relating to the processing thereof. The data subject may withdraw his/her consent at any time. Withdrawal of consent does not affect the legality of the data processing that took place before the withdrawal. The data subject may request the erasure of his/her data. Finally, the data subject may exercise his/her right to data portability. The data subject may exercise his or her rights under this clause by sending a request to the adatvedelem@uni-corvinus.hu e-mail address.

8. LEGAL ENFORCEMENT IN RELATION TO DATA PROCESSING

In the event of unlawful data processing, the data subject may refer the matter to the CORVINUS Data Protection Officer, the National Authority for Data Protection and Freedom of Information (NAIH) or a court.
